**The Lost Art of Disciple Making...Found!**

Jesus came to save the world, and to that end He died, but on His way to the cross He concentrated His life on making a few disciples. These men were taught to do the same, until through the process of reproduction, the gospel of the Kingdom would reach the ends of the earth. The way Jesus lived thus became a pattern to all who follow in His steps-a principle explained clearly in the command to "make disciples of all nations." This exciting five-week study will help you examine the growth process in the life of the follower of Jesus Christ and learn how to experience the thrill of growing spiritually, while also helping others become His disciples for life. Cost: \$10 Multiple Leaders

**Some Assembly Required:**  
**Instructions for an Amazing Marriage**

Marriage teaches us how to love well and how to forgive well, all for the glory of God. God's covenant of marriage is the most significant relationship between a man and a woman, and deserves the utmost attention. God designed marriage to be a symbol of the great love between Christ and His Bride, the church. This five-week course is part one of a three part series. Come join the fun as well as the challenge as we explore-together-what it means to experience marriage as God designed and intended. Cost: \$10 Multiple Leaders

**Outreach to the Community**

Come join us every Sunday night that DLIFE is also happening on our campus in Room 314, in the FLC. We will be doing various types of outreach to the community as well as follow-up of our Guests who visit Capshaw. No prior experience is required and there are no necessary tools needed to be involved in this ministry save for a passionate love for Jesus Christ!
